PERFORMANCE BOND

Bond No. 7000000410

KNOW ALL MEN BY THESE PRESENTS, that we, **Fieldwood Energy LLC, 2000 West Sam Houston Parkway South, Suite 1200, Houston, Texas 77042**, as Principal, (hereinafter called the "Principal"), and **Sirius America Insurance Company, 180 Glastonbury Blvd., Suite 403, Glastonbury, CT 06033**, (hereinafter called the "Surety"), are held firmly bound unto **Williams Oil Gathering LLC, Williams Field Services – Gulf Coast Company, L.P. Company LLC and Williams Mobil Bay Producer Services LLC, c/o Tim Neuman, Williams Companies, Inc., One Williams Center MD 50, Tulsa, OK 74172** as Oblige, (hereinafter called the "Obligee"), in the maximum penal sum of **Two Million and NO/100 (\$2,000,000.00) Dollars**, good and lawful money of the United States of America, for the payment of which, well and truly to be made, we bind ourselves, our heirs, administrators, executors, successors, assigns, jointly and severally, firmly by these presents.

WHEREAS, the above bound Principal has entered into certain written contracts with the above mentioned Oblige described as: **Gunflint Oil Gathering Agreement, Gunflint Gas Gathering Agreement and Gunflint Gas Processing Agreement, all dated December 10, 2013** (the "Agreements"), contracts are hereby referred to and made a part hereof as fully and to the same extent as if copied at length herein.

WHEREAS, the Oblige has agreed to accept a bond guaranteeing the performance of said Contracts.

NOW, THEREFORE, the condition of this obligation is such that, if the Principal shall indemnify the Oblige for any and all loss that the Oblige may sustain by reason of the Principal's failure to comply with the terms and conditions of said Contracts, then this obligation shall be null and void, otherwise it shall remain in full force and effect.

PROVIDED HOWEVER, that this Bond is executed by the Surety and accepted by the Oblige subject to the following expressed conditions:

- This Bond is for the term beginning **March 21, 2019** and expiring **March 21, 2020**. This bond will renew annually hereafter unless surety sends notice of non-renewal to Oblige at least ninety (90) days prior to the expiration date provided herein. It is understood and agreed that the Oblige may recover the full amount of the Bond (less any previous amounts paid to Oblige under the Bond) if the Surety cancels or non-renews the Bond and, within twenty (20) days prior to the effective date of cancellation, the Oblige has not received collateral acceptable to it to replace the Bond.
- No claim, action, suit or proceeding, except as herein set forth, shall be had or maintained against the Surety on this Bond unless same be brought or instituted and process served upon the Surety within six months following the expiration of the original term of this Bond, or extended term as provided herein.
- In the event the Principal fails to make any payments due to the Oblige under the Agreements which would constitute the basis of a default thereunder, within Ten (10) business days of Surety's receipt of a demand for payment under this Bond (hereinafter called "Demand"), Surety shall pay to the Oblige the amount of such Demand. The Surety shall cause to be paid all payments that are open or past due up to the penal amount, and in so doing cure any Default under the Agreements and shall not be bound by any forfeiture or acceleration provision of the Agreements to the contrary, but rather shall be responsible for the continuation of timely payments as provided in the Agreements as though there had been no Default. The Oblige may present one or more Demands at any time in its sole discretion, provided however, Surety shall not be obligated to pay an aggregate amount in excess of the penal sum of the Bond. The bond penalty shall remain fixed during the term of the bond regardless of the number of years it remains outstanding unless amended by Surety through the issuance of a rider.
- If Surety receives any claim in conformity with the terms and conditions of this Bond, Surety will make payment to Oblige, without inquiring whether Oblige has a right, as between Oblige and Principal, to make such claim and without recognizing any claims of Principal. On or within the timeframe noted herein, payment will be effected by Surety (using its own funds) by wire or electronic funds transfer in immediately available funds to such account as Oblige may designate to Surety.

In the event of conflict or inconsistency between the provisions of this Bond and the provisions of the above Agreements, the provisions of this Bond shall control. The Oblige's acceptance of this Bond and reliance upon it as security constitutes its acknowledgement and agreement as to the explicit terms stated herein under which it is offered and issued by the Surety.

The Surety does hereby absolutely and unconditionally bind itself to the United States of America acting through and by the Bureau of Ocean Energy Management (BOEM), or such other official designated by the Secretary of the Interior for this purpose, for the payment of all of the cost of the plugging and abandonment Obligations.
2. The Surety will be responsible for all Obligations of the Principal in existence at the time this document becomes effective and all Obligations that accrue after that date and until all Obligations are met or until the Regional Director terminates the period of liability of this bond.
3. If the Regional Director terminates the period of liability of this bond, the Surety will remain responsible for Obligations that accrued during the period of liability until the Regional Director issues a written cancellation of the bond in favor of the Surety.
4. If this bond is cancelled, the Regional Director may reinstate this bond as if no cancellation had occurred if any payment of any Obligation of the Principal(s) is rescinded or must be restored pursuant to any insolvency, bankruptcy, reorganization, or receivership, or should the representation of the Principal that it has paid its financial Obligations or performed the other

Obligations of the lease in accordance with BOEM specifications be materially false and BOEM relied upon such representation in canceling the instrument.

5. The Surety waives any right of notice of this bond taking effect and agrees that this bond will take effect upon delivery to BOEM.
6. The Surety's Obligations will remain in full force and effect, even if:
 - (a) Any person assigns all or part of any interest in an Instrument covered by this document.
 - (b) Any person modifies an Instrument or Obligation under an Instrument in any manner including modifications that result from a commitment to a unit, cooperative, communitization, or storage agreement; suspension of operations or production; suspension or changes in rental, minimum royalty, or royalties; modification of regulations or interpretations of regulations; creation or modification of compensatory royalty agreements or payments; or creation of any mortgage, pledge, or other grant of security interest in the Instruments.
 - (c) Any person, event, or condition terminates any Instrument covered by this bond, whether the termination is by operation of law or otherwise.
 - (d) BOEM takes or fails to take any action in enforcing, as against any party to the Instrument, the payment of rentals or royalties or the performance of any other covenant, condition or agreement of the lease, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
7. The Surety agrees to be bound under this bond as to the interests in any Instrument retained by the Principal when BOEM approves the transfer of any or all of the Instruments or interests in the Instruments.
8. In the event of any default under a lease, the Surety must provide payment of all of the cost of the Obligations of the Principal upon demand by BOEM.
9. If BOEM decides to commence suit to enforce its rights, it may commence and prosecute any claim, suit, action, or other proceeding against the Principal and Surety, or either of them, whether or not BOEM joins the lessees or any other party.
10. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
11. The Surety agrees to give prompt notice to BOEM and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
12. The Surety's Obligation and liabilities under this Bond are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of BOEM.
13. The Surety hereby waives any defenses to liability on this bond based on an unauthorized Principal signature.
